AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants submit this Amendment with a Request for Continued Examination in response to the Final Office Action dated February 9, 2005. During the first week of May, the attorney for Applicants and the Examiner discussed amendments to the claims. The Examiner indicated she would allow the claims if Applicants added the requirements of claims 6 and 10 concerning the multimedia file and the user interface, respectively, to the independent claims. Applicants have amended independent claims 1, 12, and 24 to include these requirements found in pending claims 6, 10, 18, 22, 29, and 33, and canceled these dependent claims. Applicants have made additional corrections to the claims to correct minor errors. Applicants submit that the amendments herein place the pending claims 1-5, 7-9, 11-17, 19-21, 23-28, 30-32, and 34 in condition for allowance and such allowance is respectfully requested.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 11.
